Stalham High School is a small but growing rural school located approximately 15 miles from Norwich. On 1st January 2015, Stalham High School joined the North Norfolk Academy Trust as an academy. NNAT consists of Stalham High School, Sheringham High School, Cromer Junior School, Gresham Village Primary, and Antingham and Southrepps Primary School, and we are excited about the close relationship all five schools are developing and the benefits that this is bringing. You would be joining the school at an exciting time; over the last few years improvement has been considerable and the school achieved a resoundingly Good OFSTED Inspection in September 2017, and is firmly committed to continuing that trajectory of improvement.

We are looking for:-

- someone who is a highly motivated and inspiring classroom practitioner with exciting ideas and drive to be an outstanding teacher;
- someone with vision, energy and a real passion for English;
- someone who is innovative, ambitious and committed to the high achievement for all students;
- someone willing to develop his/her own practice whilst contributing ideas, energy and vision.

Stalham High School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment.
