Dear Parents/Carers,

Many thanks to all parents and carers who are being so pragmatic in the current climate, and are supporting the school's efforts to continue with as little disruption as possible.

Sadly, however, we have taken the decision to postpone the forthcoming Year 10 Parents' Evening scheduled for Wednesday 25th March. We will attempt to find an alternative date in the coming months so that parents can discuss the progress of students at a vital time in their GCSE courses.

With regard to the impact of closure on student progress, please be aware that, should the school be instructed to close, staff will set the bulk of classwork and homework for students of all years via the Go4Schools platform. Students use this regularly and have been encouraged to ensure they have log in details over the past weeks.

Staff will also set work on the GCSE Pod platform for Years 9, 10 and 11. If circumstances are such that you have to, or haven't chosen to, remove your child from school before the school is ordered to close, please get your child to log in to G4 Schools ([user guide is attached](#)) and look out for the work set for homeworks for their classes. Students can also access Maths Watch and GSCSE Bitesize.

Parents will understand that it is impossible for teachers to contact parents individually in the current circumstances.

The school will continue to update students and parents/carers as the situation evolves.

Yours faithfully

Dr A Richardson
