## Post Title: Student Manager

Hours of work: 0.8 FTE (26 hours pw), TT+1

Salary: Scale D (Points 5-6)

Contract: Maternity Cover

To commence: September 2020

Stalham High School is a small rural school located approximately 15 miles from Norwich. You would be joining the school at an exciting time; over the last year improvement has been considerable and the school is making good progress towards achieving its goal of being sustainably effective. On 1<sup>st</sup> January 2015, Stalham High School joined the North Norfolk Academy Trust as an academy. NNAT consists of Stalham High School, Sheringham High School, Gresham Village School, Cromer Junior School and Antingham and Southrepps Primary School and we are excited about the close relationship all three schools are developing and the benefits that will entail.

We are seeking to appoint an enthusiastic, dynamic and experienced member of staff to join our Care & Guidance Team. The successful applicant will work with the Inclusion Manager and the Assistant Headteacher responsible for Student Support and Guidance to implement the School's Behaviour policy and to support individual students on a daily basis. This will involve a wide variety of tasks from working closely with teaching colleagues when behaviour management issues arise, to liaising with parents and outside agencies in order to ensure our students get the best possible support to achieve their full potential both academically socially and emotionally.

An induction programme will prepare you for the role and ongoing training will be provided. School based work experience is not required, but a desire to work with young people and a strong personality are essential. This is an ideal post for a candidate with interest in pursuing a career in teaching.

Stalham High School is committed to safeguarding and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment.
