Dear Parent/Carer

## Year 11 DAP2, Mock and EwL Report

This letter refers to your child's Data Analysis Point (DAP), Mock exam results, and their Engagement with Learning (EwL). What you see falls under the following headings:

**Target:** based on Key Stage 2 data, this is the grade the school has set as a target for them to achieve by the end of Year 11 – based on national data. Where current grades exceed the target, further assessments will be made before any adjustment of target is implemented. **\*see below**

**Current grade:** this is an assessment of their current standard of work. **\*see below**

**Mock Exam Result:** Mocks have been taken at different times, with some still to be sat. Where results are known, these will appear in the report. These should always be read with caution, as, for a number of possible reasons, they may not properly reflect the true performance of any individual. However, they are an indicator of the potential need for better application to work or revision, and teachers will work closely with your child to identify the most appropriate next steps, depending upon the results.

**EwL:** this is your child's current 'Engagement with Learning' and the four levels are detailed in the report. The title of this has changed to emphasise the importance of engaging with the opportunities to learn.

**\*Targets and current grade** are shown according to the new national GCSE '9-1' grading system now used across all subjects. An explanation of this is on the reverse of this letter

### Key dates:
